**1. Meeting called to order at: 7:02**

**Present:** David Allen, President Shirley Brown  
Scott Reid, Vice President Jim Kidd  
Geoff Kragen, Secretary Vicki Miller

**Absent:** Mary Steele, Treasurer Dave Steele  
Mike Bardini Ken Webb

**Neighbor(s):** Fran Webb Hayes Williams

**Guest(s):** Officer Lee Hendrick, Police Officer, City of Roseville

**2. Minutes of previous meeting: Approved**

**3. Treasurer's report: No Report**

**4. RCONA report:**

- a. National Night Out: RCONA is listed on the national registry for the event. Jim has posters if we know of any businesses who would want them in their windows. Fran suggested the Learning Express and the SmallCakes store might. Geoff will post the poster on Facebook.
- b. This Saturday is Drug Turn In Day at Oakmont High School as well as other high schools through out the city.

**5. Police Report: The number of door "kick-ins" has declined. There have been more commercial crimes, for example: break-in at Noah's Bagels, burglary at FreshBerry Frozen Yogurt.**

There have been a number of hits on the Stop and Shops.

Hayes shared a concern. Recently, his home was vandalized, seriously egged. It has necessitated repainting. The vandals also left a pile of dead snails in front of the house (some 50) and spread the pages from a newspaper all around. He doesn't understand if this reflects a change in the age of the kids in the neighborhood or what. He didn't call the police because initially he didn't realize the severity of the damage.

Jim commented on a car that was soaped on Chip and Dale as reported on "watchmail."

Officer Hendrick pointed out that the last significant vandalism was seven or eight years ago. He also suggested that any vandalism be reported to the police so the incident can be provided to the analysis unit. Geoff will post this suggestion on Facebook

**6. Library Report: The Library is going to put in a new computer system in the new fiscal year.**

7. Old Business:
  - a. Garage Sale Recap: 78 Homes participated. Dave and Scott discussed the possibility of posting the home sales to Google Maps next year. Vicki said she got positive feedback from a number of participants. Mary and Mike will provide further information next month.
  - b. Dog waste bags at W. Colonial open space: We have heard nothing back from Park and Rec at this point. It was noted that we paid \$350 to put up a station in 2005.
  - c. Website Discussion: Jim asked do we want to get a software upgrade, a new host, train him to keep it current, etc.? Scott recommended against changing either the software or the host. He said it would be easy to train Jim in order to keep the site current.
  
8. New Business:
  - a. Kirk Uhler requested an opportunity to speak at a MNA meeting. The board decided to give him the option of coming to either a June or July meeting.
  - b. Need for more newsletters: Some of the new homes on West Colonial are now being sold. As a consequence we need more newsletters for the block captain. Shirley said she can get 5 more to David. Jim also has some extras if David needs them.
  - c. Jim will pursue finding a meeting site for June and July. These could include the Maidu Activity Center, the Community Center, or the senior home. Factors include, costs, if any, adequate space if we expect a larger turnout to hear Kirk Uhler.
