6. Fire Department Presentation: Our guests didn't not realize we were told they would come in June. We asked for topics we could promote and consequently have them back next month.

The primary focus was regarding July 4<sup>th</sup>. The Captain's concern was that people would use "Safe and Sane Fireworks." Also people should not modify them, especially the "Piccolo Petes."

The Captain will provide information for us to include in the June Newsletter. This information will be used to encourage people to attend the June meeting. It was suggested we can also promote the meeting by noting our guests will speak on home safety.

It was noted in passing that Fire houses are a safe place of dropping off babies and for teenagers to come if they need help.

7. Library Report: (see attached)

**8. Old Business:**

- a. Dog waste bags: Nothing to report yet. *(Emails were received after the board meeting which informed us that our request is going to be met.)*
- b. Maidu Garage Sale: Mike will send an email requesting input from the board members regarding our perspective on the sale.

**9. New Business:**

- a. June Meeting Location: We are currently scheduled for Alta Manor for both June and July. We need to see if the Maidu Community Center would allow us to use a room for the June meeting because the Fire Department is coming. Dave A. noted that he will contact Rob Bacquera to see if he might be able to help in securing a room.

**Motion 5-22-1:** Scott moved that we approve payment for a room if it is needed. **Approved:** A budget amount of \$80. (The meeting will not necessitate using the large room.)

- b. Sponsors and Partners to the MNA website: Scott suggested having sponsors listed on the website, i.e. Melinda who is our long term sponsor. Scott volunteered to investigate and update the website.
