A Cleaner Park, Open Space, Thanks to Your Neighbors

by Scott Reid

The Maidu Neighborhood Association Board would like to thank all our neighbors who showed up on Saturday, October 19, to help clean the undeveloped areas of Maidu Park and the West Colonial Open Space. Everyone did a great job and there were a number of bags of trash to show for all their work.

In addition, we had some “non-neighbors” helping including many members of the Roseville Better Gardens Club, and a couple of Roseville residents from other neighborhood associations who want to do a similar clean-up in their neighborhood. Thanks for helping us!

We’d like to make special mention of neighbor Andrea Walker who agreed a few days before the event to help lead the West Colonial Open Space clean up.

After two hours of cleaning trash in the park, everyone gathered at the pavilion near the batting cages to enjoy a picnic lunch. As with years past, we had a great collection of “unusual trash items” that people brought back to enter in the “most unusual or interesting piece of trash” contest. Neighbor Daphne Belshaw took the prize (a Target gift card) as her used model rocket was judged most interesting.

It’s good to know our successful clean-up event may inspire others in Roseville to do the same in their parks or open space.

Now that we're in the swing of the holiday season, criminals will be busy taking advantage. Don't give them the chance. Never leave valuables, especially your holiday gifts, in your vehicle, hidden or not. Carry them with you or drive home and unload before driving to the next store. Keep Kids Alive, Drive 25 (KKAD25)

Garbage Can Decals

by Jim Kidd

On Wednesday, November 27, from 7:30 to 9 am, Maidu NA volunteers will be attaching the KKAD25 decals to garbage cans in the new area of the Maidu NA. This area includes homes on McKinley Drive, Nighthawk, Sally Way, Champion Oaks, Lee Way, and Polley Drive. These decals are approved by the City of Roseville and help reduce speed in the neighborhood by reminding us to drive 25 in the residential areas. If you would like to help us, please e-mail Jim Kidd at jckidd@hotmail.com.

Remember: Only water can go down a storm drain. Please don't wash your car with detergent in your driveway. The wash-off goes to our creeks and negatively affects the wildlife.

Neighborhood Watch Program:

by Liz Johnson

You may be concerned about the incidents of crime in our neighborhood, such as house and car burglaries, bike thefts, etc., and may want to do more to protect your property and that of your neighbors. Forming a Neighborhood Watch group may be that something extra that could help you and your close-by neighbors feel more secure.

“Neighborhood Watch is a crime prevention program that enlists the active participation of residents, in cooperation with law enforcement, to reduce crime in their communities.”

By forming a Neighborhood Watch group, you get to know your neighbors that live near you, agree to become more aware of what is going on in your neighborhood, and be willing to work together to make your home a safer place to live. The formation of the group must start with a volunteer who contacts the Neighborhood Watch Coordinator at the Roseville Police Department to set up your first meeting and to coordinate subsequent meetings in the future. At the Neighborhood Watch meetings, you will learn how to recognize suspicious activity, how to protect your family and your property, and how to keep an eye on your neighbors as well. Neighborhood Watch can help to reduce crime .

For more information about starting a Neighborhood Watch in your area, call or e-mail:
