9. New Business:

- a. New Placer County Supervisor Candidate: Some discussion as to what is our responsibility to provide information of county supervisor candidates. The discussion was focused on our mandate to educate those in our area. One way to do this is to inform neighbors that 4th District represents our portion of Placer County.

Motion BM 4/16-2: Motion – To include in this month's newsletter a one sentence info for each of the two placer county 4th district supervisors candidates and their related website addresses. Scott moved, Lance seconded, six Ayes and one Nay.

10. Announcements and Remarks: Victor Bekhet talked of his concern over The Park at Granite Bay development and Kirk Uhler's perceived acting as a representative of the developer. There are also 10 other development plans which Mr. Bekhet perceives as overriding the Placer County Development Plan. He believes the people most directly impacted have no voice in what is affecting their community. Accordingly he was approached by other community residents and was asked and therefore made the decision to run for the county supervisor position against Mr. Uhler.
