Over all Burglary is split evenly between commercial and residential areas.

- c. Homeless issues continue to be a problem. There was a 40% increase, in tons, of garbage from homeless camps.
- d. FLOCK Live: The camera system is proving effective. There have been 29 calls for service 11 contacts arrests and 19 people arrested. 93% have been individuals from outside city driving stolen cars Right now the area that is benefiting the most is Douglas at 80, with 48% of contacts. More cameras will/are being added at Atlantic.
- e. Within the city Harding is a problematical location, including the homeless. An officer was fired on here.
