- e. Neighborhood signs will happen but the city still has to work out the details.

7. Old Business:

- a. Website: The committee has heard from the individual handling the website that the domain name has changed to RCONA.org Our links may or may not be working that they should be fixed by today.
- b. Christmas Program: December 7th, Shirley has the hot dog wagon. We usually provide hot chocolate and cookies. We have provided Starbucks and Kids' Corner. We would have to pay for this. The budget for this should be \$225. Mary bringing hot water, Mary H will bring hot chocolate. Shirley will let Mary H know about needs for cups and stirrers. She has luminaries. The sand is available at the community center. Mary H has the stuff for the Kids' Center or will get anything else needed. Volunteers will need to arrive at 5:15 PM for set up.

Motion BM 11/21-1: Motion: to budget \$225. Alan moved, Jim second. Approved.

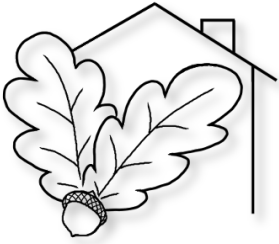

- c. Cameras: After talking to neighbors Alan says the consensus is the need to handle traffic stuff. Accordingly we need traffic cameras rather than Flock cameras which are only for license plates tracking criminals. The traffic cameras should have the effect of creating more safety for the neighborhood. The conclusion reached was to plan a meeting between interested neighbors and the city to see how a program can be put together.
- d. Storage: Nothing has been done. Shirley would like to see the stuff being moved out of her garage. Alan will make a master inventory so everyone who has any stuff should send him the info.

8. New Business:

- a. Alternate Fund Raising Ideas: The real issue is, is there going to be any Fireworks funding. We won't know until spring. We could set up a "Go Fund Me Page." We can use the Garage Sale as an opportunity to encourage people to donate to the association. Scott was suggesting that we look into electronic ways of contributing.
