

Maidu Neighborhood Association  
Monthly Meeting Minutes  
August 2022

Date of Meeting: August 23, 2022

Time of Meeting: Called to order at 6:35 p.m. at the Sargeant Multipurpose Room

Attendance: Alan Bartley, Jim Kidd, Vicki Miller, Shirley Brown, David and Mary Steele, Melinda Shrader, Lance Hibben, and a number of other neighbors

Roseville  
Police report: Officer Jeff Kool provided monthly crime statistics for Beat 2 for July 2022 which included normal crimes (vehicle burglaries including catalytic converters and other property crimes). In addition, there seems to be a regional issue involving vandals who break windows of businesses but do not steel anything inside. In July, Roseville Police captured three men each having a criminal history breaking a liquor store window within Roseville. In other news, the Police Department apprehended three people at the Galleria using the FLOK cameras that detected the vehicle they were using was stolen. All three individuals had arrest warrants.

Neighbor Larry \_\_\_\_\_ (last name?) shared with Officer Kool and attendees that his home on McClaren Drive had been burglarized three times during the middle of the day in March 2022 (each time he was not there).

Visitor Forum: Visitors did not present any new topics.

Meeting Minutes from July: No meeting minutes were provided from the July meeting.

Treasurer's Report: Mary updated the Board there is \$4,157.43 in the MNA bank account balance. Alan added he has approximately \$300 of gift certificates that has not yet been forwarded to the Treasurer to be used for future events.

City staff presentation  
of proposed

Communication Tower: Presenting for the City were staff members Gina McColl, Karl Grover, and Hong Sae who unveiled plans for Roseville's east side communications tower to be located on city owned property at 2001 Strauch Drive. The current tower is located on a privately owned building and does not meet the City's growing need due to site limitations and costs. Staff provided handouts and a projector presentation of the proposed 180-foot tower including other alternatives that were considered. There was mixed reactions from neighbors mainly due to the height (equal to 16 story building) and aesthetics of the tower. Staff disclosed the tower is on the September 7<sup>th</sup> agenda for the City Council to review and approve the Initial Study and Mitigated Negative Declaration.

MNA Board Nominations  
and Officer Positions:

The existing slate of officers were nominated.

RCONA report: Jim Kidd reported the following:

There is a planned ballot measure for the upcoming November election (Measure C) to increase the transient tax rate at Roseville lodging businesses (e.g. hotels and motels). Roseville has the lowest tax rate in the area currently at six percent. The funds go into the City's general Fund.

The State of the City conference is scheduled for August 26<sup>th</sup> at 10:00 a.m. at West Park High School. Reservations to attend are available on the City's website.

The only planned city-RCONA Movie-in-the-Park is scheduled for September 10<sup>th</sup> at Kaseberg Park.

At the September MNA meeting, City representatives are planned to present the City's homelessness issues.

Old Business:

MNA storage space at U-Haul is in use which represents approximately a \$2,500 per year donation by the company.

The annual Maidu Park clean up and lunch is planned for October 22. Existing gift certificates can be used as prizes for winning pieces of trash collected by participating neighbors.

Dave's carwash on Douglas Blvd. will donate \$5 per car to the MNA for each neighbor who uses their services and indicates they live within the Maidu neighborhood.

New Business: Select the October Speaker for the monthly meeting.

As done last year, Alan plans to contact Leatherby's Restaurant to provide the food for the ice cream social planned for Tuesday, August 2, 2022 6:00-8:00 p.m.
