This Is It: LAST Chance to Sign Up for May 3rd Garage Sale

We've already started running ads for the May 3rd Maidu Neighborhood Garage Sale, and more ads will be coming.

For maximum publicity for your own garage sale that day, we want to be sure you beat the **April 29th deadline** to have your address included on the map we'll be handing out that morning to shoppers as they enter the neighborhood. So it's time to register. Please use the form, below.

Don't worry if you miss that deadline - the map is updated more than once, so you may still make it. Regardless, it is still worth participating as potential customers will be cruising our streets with a copy of that map we'll be handing out at street corners.

We hope you will join us for our Sale, our one big fund-raiser of the year, and a great way to clear things from your home! Use form below.

Radio Tower Nears Completion

Roseville's Public Works department is nearing the completion of the new radio tower on Strauch Drive. It is to be a critical part of the city's radio communications to better serve emergency and critical city operations.

A city-owned vacant parcel at 2001 Strauch Drive was identified to best provide public safety-grade radio coverage throughout east Roseville including both hospitals, enhanced emergency power capabilities, and future public safety needs.

The tower has been erected. The remaining work, which will extend into the Fall, will be generally less visible as antennas are added and transmitting equipment is installed. The equipment will have better emergency power than was had before. The overall cost of the project is about \$1.5 million.

2025 Maidu Neighborhood Garage Sale Registration

Name _____ Phone # _____

Street Address _____ E-mail _____

☐ \$10+ enclosed for the **May 3rd Garage Sale** which supports the Maidu Neighborhood Association events all year.

☐ I do not plan to participate, but I would like to donate \$ _____ to the Maidu Neighborhood Association.

☐ I would like to help with map distribution or filling of balloons the day of the sale.

☐ I would like to donate a participation prize. Each person or business donating will be acknowledged in this newsletter.

Make your check out to *Maidu Neighborhood Association*. Send form & check to Mary Steele, President, **1390 Cloverdale Circle**, Roseville, CA 95661, **by Tuesday, April 29th** to guarantee getting your address listed on the map.

Rocky Ridge Apartments Nearing Planning Commission Review

At the monthly Maidu Neighborhood Association (MNA) meeting in November 2024, representatives from the City of Roseville and a developer presented plans to neighbors for building an 18-unit apartment complex at 1995 Rocky Ridge Road (on privately owned land at the east-corner of South Cirby Way and Rocky Ridge Drive). Neighbors attending the meeting shared many questions and concerns about the project.

In summary, neighborhood concerns were focused on pedestrian safety, increased traffic, roadway designs, project parking lot issues, and environmental questions. The MNA Board decided to create a committee of neighbors to further research information and provide feedback received from neighbors and others.

This small committee is currently working to collect and organize information pertaining to this project. The plan is to share this information with the MNA, neighbors, city representatives, and the developer to offer recommendations for improving the project.

The **current status of the project** is as follows:

- the MNA committee plans to share draft findings and recommendations to the MNA Board in **April**;
- the city plans to release the Environmental Impact Report (EIR) in **April**;
- and the city and developer plans to present the project to the city planning commission in **May**.

Neighbors who are interested in becoming a committee member should contact Lance Hibben, MNA Secretary.

Open House for Local Trail, Monday, April 28

Last summer, you may have noticed a number of signs put up at places near Linda Creek, proclaiming “Future Dry Creek Greenway East Trail: Phase 2 (see picture, below). But where will it go through our neighborhood exactly? And what about the bike lane changes on N. Cirby?

If you are interested in understanding the progress that is being made on this project, which will run through our neighborhood from Rocky Ridge to Old Auburn, there will be an Open House at the **Maidu Community Center on Monday, April 28th from 5-7 p.m.** in meeting rooms 1 & 2. Learn what's planned, ask questions, and share your feedback with city staff in a more informal atmosphere

Dry Creek trail planning began in 2008. Construction began last year on phase 1, which will go from Riverside Drive, east to Rocky Ridge Drive, across from our neighborhood.

Our next Maidu meeting will be on **Tuesday, April 22nd at 6:30 p.m.** During the school year, we meet at the **Sargeant School Multi-purpose Room** which is **to the left side of the front of the school on the Ridgecrest side.** Join us for a police report and catch up on neighborhood goings-on.

*The Maidu Neighborhood Association (MNA) is a member of the Roseville Coalition of Neighborhood Associations (RCNA). Search for **Maidu N.A.** on Facebook and “like” us. Feedback or Questions? Email us at [feedback\(at\)maiduna.com](mailto:feedback(at)maiduna.com).*

Success with the “myRSVL” app!

By Scott Reid

Logs and debris block Strap Ravine at left.

Last fall, while walking on the south side of Maidu Park, I noticed that a natural dam had been created in Strap Ravine where a tree fell into it. There was almost no water in the Ravine at the time, but I knew that in the coming winter it could be a different story.

Knowing that the City had recently implemented the phone app “myRSVL” to take requests from City residents, I took a picture of the Ravine’s blockage, then opened the app on the spot.

I filled out the app’s form, describing the problem and the location, then submitted it. I could track the progress of my request in the app.

About a month after I submitted the request, I was walking past the area and saw City employees working to clear the Ravine. The next day I looked, and all the debris was gone.

City workers show up to clean up

You use the app to see requests submitted near where you are so you can check to see if a concern was already reported. Requests I’ve seen include replacing an unreadable street sign, weeds blocking drivers’ view at an intersection, and graffiti on a street sign. Not every request is honored. For example, one request wanted the removal of mistletoe from trees along the street, but the City doesn’t provide that service.

The myRSVL app is available for both iPhones and Android. Use it to report your concerns!

“Sweet Celebrations” Honors Local Volunteers

The Roseville Coalition of Neighborhood Associations (RCONA) has organized a new event to recognize neighbors from all over Roseville for their volunteer efforts “making our community the best place to live!” “Sweet Celebrations” on Friday evening, April 25th is that event.

While celebrating volunteers, the sweet part comes from dessert vendors from local bakeries and shops who are donating samples for this event. Attendees will have the opportunity to sample these sweet treats from over a dozen different vendors. In addition to the desserts and volunteer recognition awards, there will be many silent auction items.

Interested in attending? To purchase tickets for the event, use the QR code, or go to <https://givebutter.com/r0aacc>.

Our Events—Our Association has developed a tradition of having the following events. We set the dates for each one as the time approaches to match the availability of the people who will help put them on, but they usually don’t vary by more than a few weeks from year to year.

- May 3rd—*Neighborhood Garage Sale*
- August—*National Night Out*
- October—*Park Clean-up*
- December—*Santa in the Neighborhood*
