Monthly Meeting Minutes

November 2025

Date of Meeting: November 18, 2025

Time and Location of Meeting: Maidu Neighborhood Association (MNA) meeting called to order by President Mary Steele at 6:32 p.m. at Sargeant Elementary School.

Attendance: Officer/Board Members and neighbor(s)/visitor(s) present (who signed the sign-in sheet):

Board Members: Mary Steele, Shirley Brown, Lance Hibben, Scott Reid, Vicki Miller, Mary Hoff, Susie Williams, and Melinda Shrader.

Neighbor(s)/Visitor(s): Connie Arkus, Judy Coburn, and Mary Ann Corcoran.

Roseville Police Dept. Report: Police Officers Neuvo and Thorpe and K-9 Ciro attended the meeting to provide recent crime stats and answer questions from attendees. Crime statistics for the city have remained consistent; however, arson and financial scams are on the increase, partly due to the time of year. Officers provided an update that a suspect was arrested in a string of vehicle fires. Officers also warned about making financial transfers for gift certificates and other items with private parties. "Operation Grinch" goes into effect at the end of November and will target shoplifters at retail centers such as the Galleria, Fountains, and Creekside. E-Bikes and enforcement continue to be a problem. Officers responded to questions about the K9 training program and if the Police could give a K9 demonstration at our August 2026 National Night Out event. Regarding questions how MNA can help provide public education regarding E-Bikes, Officers recommended contacting Roseville Police Sargeant Riley and the school districts to coordinate educational efforts.

Roseville Fire Dept. Report: Fire Department Representatives Jon Winslow, Abe Neetlig, and Joe Lapenna attended the meeting to provide department updates, holiday reminders, and answer questions presented by attendees. The Fire Department recently converted to all

digital reporting methods which is expected to save employees up to ten hours per week while at the same time improving accessibility to information and referencing historical data. With the Thanksgiving holiday coming up, cautions were given about deep frying and using smokers to prepare turkeys. Also, they provided recommendations about use of indoor fireplaces and ensuring smoke alarms and CO2 detectors are in good working order with fresh batteries every six months. These devices need to be replaced (like-for-like) every 5-10 years. A meeting attendee presented a question about using backyard fire pits. Recently the Fire Department responded to a call concerning a neighbor having a backyard fire. Department representatives said it was okay if the fire pit has a screen for controlling embers (spark arrester) and does not develop into a bon fire. Concerned residents are encouraged to use the non-emergency phone number for reporting related issues.
